

WECARE MENTAL HEALTH AND SUICIDE DETECTION CHAT-APP

This is a summary report of user's messages chat predictions from the Model.

Timestamp	Message	Model	Prediction	Actual Value
10:49AM	The Python PDF ecosystem is a mess. There are tons of packages on PyPI, but many of them are inactive. As I had the dubious fortune of having to work with PDF documents a couple of times in my career as a Python developer, let me guide you through this jungle.	electra	non-suicidal	0.000389
